REMARKS

Applicants have amended the broad claims 1, 14, 27, 41, 55 and 61 to revert back to the "at least two plays" limitation.

New 67-74 have been added to represent the canceled claims 57-60 and 63-66.

The Examiner has rejected the broad claims as being unpatentable over Jensen in view of Shur. Applicants hereby submit a Declaration under 37 CFR 1.131, swearing behind Jensen. Accordingly, it is asserted that the present rejection cannot stand, since Jensen is no longer prior art.

In view of the above, it is asserted that claims 1-56, 61-62 and 67-74 are patentable over the cited reference and the are of record and are asserted to be in condition for allowance. Reconsideration of rejection is respectfully requested and an early and favorable action is earnestly solicited.

Applicants hereby request an extension of time for three(3) months through November 16, 2003, in order to timely file this amendment. A check in the amount of \$475.00 is attached herewith for the extension fee.
